

MESSIAH LUTHERAN CHURCH

2024 Committee Membership

Purpose

The purpose of this document is to layout the structure and membership of Messiah Lutheran Church's ministry committees as outlined in Chapter 13 of Messiah's *Constitution, Bylaws and Continuing Resolutions*.

New ministry committees are created, modified or disbanded by a vote of the Congregation Council or the Congregation to amend to relevant portion of Messiah's *Governance Policy* with a description of that ministry committee's purpose.

All ministry committees are grouped into one of five "ministry teams" that have a common meeting date and time: Faith Formation, Fellowship, Stewardship, Social Action and Worship & Music.

Each of the five ministry teams must appoint a Convener who will complete the following four tasks:

- Sends out reminders about upcoming meetings and minutes from past meetings.
- Chairs ministry team meetings.
- Connects with the Pastor before each ministry team meeting.
- Forwards minutes to the Secretary.

This document should be revised by the Mission Support Committee, Faith Center Coordinator and Pastor at minimum at the completion of each annual Mission Support Campaign before the start of Advent.
